

LARA JAYE  
*energy is everything.*

INTUITIVE ADVISOR + KEYNOTE SPEAKER  
INTERNATIONAL BEST SELLING AUTHOR

## SIGNATURE TOPICS

### *The Hidden Power of Energy*

Within your energy field are the secrets to having happy relationships, financial stress or success, emotional intelligence, clarity and vibrant health. Lara sheds light on the secrets our energy fields' hold as well as the influence our 'spaces' (homes, cars, work) can have on our daily life. Prepare to be fascinated and excited to understand your own energy field while learning tools and tips to keep yourself clear.

### *Shift the Energy of Your House*

All homes, walls, spaces and land hold living energy --- often disruptive. If you're struggling to sell a home or feeling off balance in your home, come learn the why, when, how, and best tools to use to clear your space. Transform the heavy, stagnant energies into lighter, more peaceful, and happier energies. Participants will be mesmerized with curiosity and amazement during this unique, eye-opening and insightful workshop as Lara peels back the layers of the unseen world around us.

### *Master Your Energy, Transform Your Life*

Often feeling stuck is a sign it's time for change. Prepare to connect within to release any stuck, stale energy that is holding you back from your ideal life. That's the powerful world that once you tap into it, physical reality shifts in ways you've only dreamed of. Answers become available, clarity returns, healing integrates, illness dissipates, blocks are cleared, mountains move and lives change.

### *\*Optional Add On*

An optional add-on for each presentation above is a group energy clearing meditation with Lara's signature light language healing to release subconscious blocks and stuck energy. Lara's deep clearing work reveals insights at the spiritual, physical, emotional, mental, and heart levels while clearing multi-dimensionally and generationally to help your audience create the shifts they seek and to gain greater clarity.

In all of Lara's dynamic presentations she hones in on the single factor that will transform a person's life—learning to master their own energy. Whether it's a conference or corporate event, Lara's relatable, inspiring messages will motivate your audience to fine-tune their own personal energy fostering extraordinary balance and extreme clarity. Audience members will each feel their own shift during the presentation and the impact will continue for decades later. Their shifts will result in feeling lighter, expanded intuition, release of unprocessed emotions and non-serving beliefs, decreased stress, And MORE!

Lara raises the energy in every room she speaks in while the ripple effect spreads through each participant.

*Lara Jaye is a master of reading and moving stagnant energy*

Leading the shift for C-suite executives, change makers, CEO's, influencers, and leaders—locally and globally— who desire a unique strategic edge to keep up with their fast-paced life. Lara guides them and their teams both professionally and personally allowing for a more balanced life and a profound impact on their level of clarity.

For the past decade, Lara has dedicated her life to studying, understanding and communicating with the unseen powers that surround us. Tapping into this unseen energy and making a choice from this space shifts the vibration of a situation and fosters extraordinary balance and extreme clarity. When we communicate with those energies and lead from this place, we're able to master the invisible, and in turn, our physical world.

ENERGY TRANSFORMATIONS THAT HAVE LED TO BREAK-  
THROUGHS IN BUSINESS, HEALTH, AND LIFE

“

Lara is my  
secret weapon

—Dianna, Entrepreneur

“I highly recommend engaging Lara as a strategy to wipe your energetic; mental and emotional slate clean – to recalibrate with your higher purpose, energy and clarity. Lara is very human but deeply connected to the source and spiritual realms; she has clear and direct abilities to communicate with her and your powers and help reshape, realign and *redesign your life’s purpose, mission and balance.*”

— Georgii

*“We are up \$70,000 in 6 months compared to last year. Lara has created an energy of healing and raised our vibration on a personal level which has translated into an elevated business and overall environment.”*

—Eryn, CEO

“

Her energy is  
magnetic!

—Elle, Coach

*“Our businesses started picking up, health improvements were realized, balance was restored and we began to have tremendous clarity to move through life with a new understanding that gives us a level of peace that was unknown before Lara worked with us.”*

— Amy
